amount of responsibility that has to be shouldered by those who have succeeded him and by the nation as a whole. It is for one and all of us, to whatever community we belong, in whatever status we are placed, to put our shoulders to unify the country. Sir, it is not for us to criticise. It is for us to decide, once for all at the present moment, to sink all our differences and think that we are all one and united and make this country one. Do not divide it into many. Let those who are in the Congress realise that their responsibility is all the more great because of the loss the country has sustained. There should not be a divided campaign. Please, for God's sake, make up all your differences, bind yourselves in unity, unify the country, and follow the Sardar.

Mr. SPEAKER.—I associate myself with the feelings of sorrow expressed by the Hon'ble Leader of the House and the several other Members who have spoken on the resolution. Sardar Patel's name, like that of Mahatma Gandhi, is known not only to every citizen of India but, I am sure, to every one in the rest of the world. The enthusiasm, the energy and the drive with which he conducted the Bardoli campaign got him the title "Sardar" from the Mahatma and as "Sardar" he has been known to everybody since then. The same energy and enthusiasm was evident in the manner in which he conducted the affairs of the Government of India which he entered in 1946. We are too close to the events that have taken place in India during the last two years to assess them properly. But, nonetheless, it is obvious that the integration of the several States and the establishment of one Republic is an event unparalleled in the long history of our country and this unique event is due more to the Sardar than to any other single individual in India. He has been often styled as the 'iron man.' An 'iron man' he had to be to achieve the purposes which he set out before himself. But it did not make him insensitive or heartless and people who have moved with him closely attest to the fact that he was also one of the most kind-hearted of our leaders. In spite of ailing health, he carried on his duties as Deputy Prime Minister till the very last. His loss to India will be in every sense of the term irreparable.

I request the Hon'ble Members to stand in silence for two minutes in memory of this great departed leader and to pass the resolution.

The question is:

"That this Assembly places on record its sense of profound sorrow over the demise of Sardar Vallabhbhai Patel.

The late Sardar was a matchless warrior who fought devotedly and ceaselessly with a rare spirit of sacrifice, sturdy determination and exemplary courage in the struggle for winning freedom for the Nation.

His services to the country as an administrator have been of the highest order. He succeeded remarkably in establishing security in the land under exceptionally difficult circumstances and his magnificent achievement in consolidating India by the integration of the Indian States with the rest of the country is unparalleled in history, ancient or modern.

He steered the bark of India between many rocks and through stormy seas with consummate skill.

His interest in and solicitude for Mysore was great and the people of Mysore have lost in him an unerring guide, philosopher and friend.

This Assembly desires to pay its homage to the memory of the departed leader and to convey its heartfelt condolences to his daughter and the other members of his family."

The Resolution was unanimously passed all Members standing in silence for two minutes.

STARRED QUESTIONS AND ANSWERS

(to which oral answers were given)

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—Question No. 11. Sri S. Kariappa. The Hon'ble Member is not present. Question No. 11 will be treated as unstarred question.

Visit of the Selection Committee in connection with the Integration of Mysore Administrative Service.

*Q.—30. Sri M. V. KRISHNAPPA (Kolar District—General).—

Will the Government be pleased to state :—

(*a*) whether it is a fact that a Selection Committee is coming over to Mysore from Delhi in connection with the integration of Mysore Administrative Services with that of the Centre;

(*b*) the number of members of that Committee?

*A.—The Hon'ble Sri K. CHENGALARAYA REDDY (Chief Minister).—

(*a*) Yes.

(*b*) This is not known yet.

Sri M. V. KRISHNAPPA—What is the name of the committee?

*The Hon'ble Sri K. CHENGALARAYA REDDY.—It is called "The Special Recruitment Board."

Sri M. V. KRISHNAPPA.—What is the purpose of their coming over here?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The purpose is to select candidates from among the personnel of the Mysore Civil Service to the Indian Administrative Services.

Sri M. V. KRISHNAPPA.—What is the basis for that selection?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Well, all relevan factors have to be taken into consideration.

Sri M. V. KRISHNAPPA.—Will there be members of our Government as representatives in that committee?

The Hon'ble Sri K. CHENGALARAYA REDDY.—There would be two representatives of the Mysore Government associating in that committee, but they will act only in an advisory capacity.

Sri M. V. KRISHNAPPA.—Have the Government taken action to bring to their notice the proceedings of the last session at which some debate took place about the integration of the services?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Yes.

Sri A. BHEEMAPPA NAIK (Chitaldrug District—General).—Will the previous record of work done by our Government servants be taken into consideration?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Certainly.

Sri A. BHEEMAPPA NAIK.—Before a certain officer is taken over, will the Government of Mysore have any say about the good work done by that particular officer and so on?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The Service Registers of all the officers will be made available to the Special Recruitment Board and, as I already said, there will be the representatives of the Mysore Government associated with the work of the Board and there will be certain informal discussion between the Members of the Board and the Government.

Sri A. BHEEMAPPA NAIK.—Have the percentages of Junior and Senior cadre officers to be taken over been fixed or is it open still?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Nothing is fixed. It is all open.

Janab MOHAMED VALIULLA (Kolar—Muslim).—Who are the two representatives of the Mysore Government who will be associated with the Board?

The Hon'ble Sri K. CHENGALARAYA REDDY.—That has not been decided.

Janab MOHAMED VALIULLA.—Will they be civilians or non-civilians?

The Hon'ble Sri K. CHENGALARAYA REDDY.—It may or may not be so.

Janab MOHAMED VALIULLA.—For how many days are they going to stay in Mysore?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I do not know. They will be necessitated to stay here till they complete their work.

Janab MOHAMED VALIULLA.—Have they intimated that they will be coming to Mysore?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Yes.

Janab MOHAMED VALIULLA.—For how many days arrangements have been made for them?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Arrangements are not made for any specified period. According to present advices, they will be coming here in the first week of March.

Janab MOHAMED VALIULLA.—Will the Mysore Goverment be able to overrule their decisions? Is the selection by the Board final or have the Government of Mysore the final decision?

Mr. SPEAKER.—That does not arise.

Sri K. PUTTASWAMY (Mandya District—General).—Will there be any scope for appeal against the selection made by the Special Recruitment Board?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I do not know what the Hon'ble Member has in his mind. If it is the case of an appeal to the Mysore Government over the selection of the Special Recruitment Board, perhaps not.

Sri Kadidal MANJAPPA (Shimoga District—General).—Who is the authority that constituted the Selection Committee?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The Government of India.

Sri Kadidal MANJAPPA.—Are they going to hold examination?

The Hon'ble Sri K. CHENGALARAYA REDDY.—No.

Sri Kadidal MANJAPPA.—What is the basis of selection?

The Hon'ble Sri K. CHENGALARAYA REDDY.—They may go into the detailed history of the services of each officer. They will find out from the Government such other information as they want and they will interview the officers and on the basis of the totality of the impression created in their minds, they will make the selection.

Sri M. GOVINDA REDDY (Chitaldrug District—General).—Has a list been made of the officers who have to appear before this committee?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Yes.

Sri M. GOVINDA REDDY.—Have the concerned officers been informed of it?

The Hon'ble Sri K. CHENGALARAYA REDDY.—They have not been informed as yet. But the cadres of officers who have to go before the committee have been fixed.

Sri M. GOVINDA REDDY.—Has any of the officers who are listed, expressed his unwillingness to appear before the committee?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Notice.

Sri M. GOVINDA REDDY.—What is the reaction of the administrative services with regard to this selection?

Mr. SPEAKER.—That has been discussed last year.

Sri G. VEERAPPA (Chitaldrug District—General).—Will only the members of the Civil Service be interviewed or others also?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Members of the Police Service also.

Sri H. M. CHANNABASAPPA (Mysore District—General).—In pursuance of what provisions of the Constitution this integration is taking place?

Mr. SPEAKER.—How does that supplementary arise out of the main question?

Sri H. M. CHANNABASAPPA.—I beg to submit that the question pertains to the formation of the committee. Under what provision of the Constitution has this committee been appointed?

The Hon'ble Sri K. CHENGALARAYA REDDY.—It is under article 312 of the Constitution of India.

Sri H. M. CHANNABASAPPA.—Have the Government obtained the sanction of the Parliament to go on with integration of the services?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Notice.

Sri H. M. CHANNABASAPPA.—Is it not incorporated in the article referred to just now by the Hon'ble Chief Minister that it is very necessary that Parliament should accord sanction for this integration?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The constitutional and legal aspects that were discussed on the floor of the House on the last occasion have been brought to the notice of the Government of India. I had also prolonged discussions with them when I was in Delhi in November last. The Government of India have carefully gone into the matter, have examined all aspects of the case and have come to the conclusion that what they have done and propose to do in this regard is well within the provisions of the Constitution of India and that there is nothing *ultra vires* in the procedure that they have adopted.

Sri H. M. CHANNABASAPPA.—My question is specific. Have the Government of India obtained the sanction of the Parliament in order to proceed with the integration?

Sri K. PUTTASWAMY.—Is it a question which our Government should answer?

Sri H. M. CHANNABASAPPA.—I am putting a specific question, and it is up to the Hon'ble Chief Minister to say 'Yes' or 'No'.

The Hon'ble Sri K. CHENGALARAYA REDDY.—The Government of India are of opinion that they are acting with regard to this matter under sub-clause (2) of article 312.

Sri H. M. CHANNABASAPPA.—Is it not required under article 312 that any procedure in this behalf has to be instituted only after the law is passed in the Parliament?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I am inviting the attention of the Hon'ble Member to sub-clause (2) of article 312. He has now obviously in mind sub-clause (1) of that article.

Sri H. M. CHANNABASAPPA.—Am I not correct if I say that the sub-clause (2) pertains only to Indian Services that were existing before the Constitution was inaugurated?

The Hon'ble Sri K. CHENGALARAYA REDDY.—In the opinion of the Government of India the Hon'ble Member is obviously incorrect.

Sri D. M. SIDDAIAH (Mysore District-General).—Will the two representatives of the Mysore Government have the same powers as the other Members of the Board?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I said that our representatives will be there in an advisory capacity.

Sri D. M. SIDDAIAH.—Is it not desirable that they should have the same voice?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The final selection is at their discretion. But we will see to it that our representatives will have the same weight and influence in the deliberations of the Committee.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು (ಮೈಸೂರು ಜಿಲ್ಲೆ—ನಿಮ್ಹಾ ಪಂಗಡ).—ಇಂಡಿಯಾ ಸರ್ಕಾರದವರು ಈ ವಿಷಯದಲ್ಲಿ ಏನಾದರೂ ಅಂಕಿ ಅಂಶಗಳನ್ನು ಕೇಳಿದ್ದಾರೆಯೆ? ಪಟ್ಟಿಯನ್ನು ತಯಾರಿಸುವ ಸಂದರ್ಭದಲ್ಲಿ ತಾವು ಯಾವ ರೀತಿ ಮಾಡುತ್ತಾರೆಂಬುದನ್ನು ತಿಳಿಸಿ ಅದಕ್ಕೆ ಸಂಬಂಧಪಟ್ಟ ವಿವರಗಳನ್ನು ತಿಳಿಸಬೇಕೆಂದು ಕೇಳಿದ್ದಾರೆಯೆ?

*ಮಾನ್ಯ ಶ್ರೀ ಕೆ. ಚೆಂಗಲರಾಯರೆಡ್ಡಿಯವರು.—ಪ್ರಶ್ನೆ ಸ್ಪಷ್ಟವಾಗಿಲ್ಲ. ಯಾರು ಯಾರು ಆ ಸಮಿತಿಯ ಮುಂದೆ ಹೋಗಬೇಕೆಂಬ ಬಗ್ಗೆ ಒಂದು ಪಟ್ಟಿ ತಯಾರಾಗಿದೆ. ಆ ಅಧಿಕಾರಿಗಳ ಸರ್ವಿಸ್ ರಿಜಿಸ್ಟರುಗಳು, ಅವರ ವಿಷಯದಲ್ಲಿ ಸರ್ಕಾರದವರ ಅಭಿಪ್ರಾಯ, ಅವರಿಂದ ಸಮಿತಿಯವರ ಮನಸ್ಸಿನ ಮೇಲೆ ಯಾವ ರೀತಿ ಪರಿಣಾಮವಾಗುತ್ತದೆ, ಇವೇ ಮುಂತಾದ ವಿಷಯಗಳ ಮೇಲೆ ತೀರ್ಮಾನವಾಗುತ್ತದೆ.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ಸಮಿತಿಯವರಿಗೆ ಇಂತಿಂತಹ ವಿಚಾರಗಳಲ್ಲಿ ವಿವರಗಳನ್ನೊದಗಿಸಬೇಕೆಂದು ನಮ್ಮ ಸರ್ಕಾರದವರಿಗೆ ಇಂಡಿಯಾ ಸರ್ಕಾರದವರಿಂದ ಸೂಚನೆ ಬಂದಿದೆಯೇ?

*ಮಾನ್ಯ ಶ್ರೀ ಕೆ. ಚೆಂಗಲರಾಯರೆಡ್ಡಿಯವರು.—ಅವರು ಯಾವ ಯಾವ ಅಧಿಕಾರಿಗಳನ್ನು ಇಂಟರ್‌ವ್ಯೂ ಮಾಡಬೇಕೆಂದು ಕೇಳಿದ್ದರು. ಆ ಬಗ್ಗೆ ಒಂದು ಪತ್ರವನ್ನು ಬರೆದಿದ್ದೇವೆ. ಮೊದಲು ಅವರು ಕೆಲವು ಅಧಿಕಾರಿಗಳನ್ನು ಮಾತ್ರ ಚುನಾಯಿಸಿ ಅವರನ್ನು ಇಂಟರ್‌ವ್ಯೂ ಮಾಡಬೇಕೆಂದು ಏರ್ಪಾಡು ಮಾಡಿದ್ದರು. ಆದರೆ ನಾವು ಆ ರೀತಿ ಕೆಲವರನ್ನು ಮಾತ್ರ ಚುನಾಯಿಸಿ ಅವರನ್ನು ಮಾತ್ರ ಇಂಟರ್‌ವ್ಯೂ ಮಾಡುವುದು ಅನಾವಶ್ಯಕ, ಎಲ್ಲರನ್ನೂ ಇಂಟರ್‌ವ್ಯೂ ಮಾಡಬೇಕೆಂದು ಹೇಳಿದೆವು. ಈ ಸೂಚನೆಗೆ ಅವರು ಒಪ್ಪಿದರು; ಅದರಂತೆ ಮಾಡುತ್ತಿದ್ದಾರೆ.

ಶ್ರೀ ಎಂ. ಮಾದಯ್ಯನವರು.—ಸಮಿತಿಯವರು ಕೇಂದ್ರ ಸರ್ಕಾರದವರಿಗೆ ನಲಹೆ ಮಾಡುತ್ತಾರೆಯೇ ಅಥವಾ ನಂಸ್ಥಾನದ ಸರ್ಕಾರದವರಿಗೆ ನಲಹೆ ಮಾಡುತ್ತಾರೆಯೇ ?

ಮಾನ್ಯ ಶ್ರೀ ಕೆ. ಚೆಂಗಲರಾಯರೆಡ್ಡಿಯವರು.—ಕೇಂದ್ರ ಸರ್ಕಾರದವರಿಗೆ ನಲಹೆ ಮಾಡುತ್ತಾರೆ.

Mushir-ul-Mulk J. MAHOMED IMAM (Chitaldrug *cum* Tumkur—Muslim).—What is the action taken by the Government to safeguard the interests of these officers?

Mr. SPEAKER.—How does it arise? The Hon'ble Member is speaking about the whole question of integration. The question now is about the Committee coming here.

Janab J. MAHOMED IMAM.—The question put is about the integration of Mysore Administrative Service with that of the Centre. I am only concerned with the facts given in the Rajpramukh's Address.

Mr. SPEAKER.—The Hon'ble Member has got another occasion to speak on that.

Janab J. MAHOMED IMAM.—I only want information about the action taken by the Government to safeguard the interests of these officers.

The Hon'ble Sri K. CHENGALARAYA REDDY.—All action that the Government have been called for to take in the circumstances has been taken. In particular we want to see that no officer of the Mysore Civil Service suffers as a result of the integration and the extension of the Indian Administrative Service Scheme to Mysore. In the event of any officers not being selected, in their case also we want to see that they do not suffer with regard to pay and prospects accruing to them under the present arrangement. We want to see that the maximum number are taken to the Indian Administrative Service cadres; both senior and junior. There are several other detailed aspects regarding which I cannot give information at the present moment but on a suitable occasion I will be prepared to do so. As I have already stated on the floor of this House, all those details have yet to be determined. In fact it is because we have raised all those points that the Government of India have agreed to discuss them later on after the selection is over. The idea is to see that the interests of all our officers are duly safeguarded. For that purpose we are going to discuss with the Government of India the many aspects that arise out of this extension in future. So the agreement that we are going to reach or the decisions that are likely to be taken later on are points on which I am not in a position to say anything definitely now.

Janab J. MAHOMED IMAM.—May I know whether discussions and consultations have already taken place between the two Governments and if so, how far?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Considerable correspondence has passed between the Government of India and the Government of Mysore. There have also been frequent discussions on the various issues arising out of this extension of the Indian Administrative Service Scheme to Mysore. It is because that no decisions have been finally arrived at, I stated already that detailed aspects are still open for further discussion and decision later on. What we have now agreed to is the principle of the integration, the extension of the scheme, and the broad aspects relating to it.

Janab J. MAHOMED IMAM.—After the discussions and consultations are over on any draft proposal and a draft agreement is arrived at between the Government of India and the Government of Mysore, will the House be taken into confidence before final consent is given to the proposed integration?

The Hon'ble Sri K. CHENGALARAYA REDDY.—We have to consider that matter at a more appropriate stage.

Janab J. MAHOMED IMAM.—This is a vital matter and we have already suffered once. This is a democratic form of Government and we want to strengthen your hands in your fight. I want an assurance whether the Government will take this House into confidence before they enter into a final agreement with the Government of India. We are all one and Government cannot hide anything from this House

(Janab J. MAHOMED IMAM).

and it is in their own interest to avoid that.

The Hon'ble Sri K. CHENGALARAYA REDDY.—There is no intention to hide anything. As I have already stated, the question will be considered at the appropriate moment.

Sri L. SIDDAPPA (Shimoga District—General).—Was not an assurance given by the Hon'ble Leader of the House when the matter was debated in this House at a previous session that.....

The Hon'ble Sri K. CHENGALARAYA REDDY.—We have not gone further than the stage when the discussion took place on the last occasion.

Sri L. SIDDAPPA.—Then why did the Government agree for the sending of the Selection Board by the Government of India?

The Hon'ble Sri K. CHENGALARAYA REDDY.—That point had been made clear even on the last occasion when this subject was discussed, that the principle was accepted and the selection would go on. I said that all other aspects of the scheme were still open. A constitutional aspect had been raised by this House and I promised that it would be brought to the notice of the Government of India. I also promised that the proceedings of the Assembly regarding the subject would be brought to the notice of the Government of India. All that has been done.

Sri L. SIDDAPPA.—Do not the Government think, especially in view of the assurance given by the Hon'ble Leader of the House on the previous occasion, that it will be much better that, unless the Government of India agree to the terms and conditions that may be laid down by this Government to safeguard the interests of the services in Mysore, it is not advisable for the committee to proceed with their work?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The understanding between the Government of India and the Government of Mysore is that all aspects relating to this scheme can be settled by mutual discussion and negotiation, and any undertaking or stipulation as suggested by the Hon'ble Member may not be feasible.

Rajamantrapravina H. B. GUNDAPPA GOWDA (Hassan District—General).—May I know the Members of the Selection Committee?

The Hon'ble Sri K. CHENGALARAYA REDDY.—According to the information we received some months back about the personnel of the Committee, the Chairman is the Chairman of the Federal Public Services Commission—one Mr. Banerjee; another member is Dr. Pannalal; I think he is a retired High Court Judge; the third person is Mr. Puranik.

Sri H. B. GUNDAPPA GOWDA.—Is Mr. Puranik a non-official?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I am not sure; there is nothing in the report here. I may be able to furnish information later on.

Sri H. B. GUNDAPPA GOWDA.—It was stated by the Hon'ble Leader of the House that the extracts from the proceedings of the House were sent to the Government of India. What was their reaction?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I have already answered that point. Not only extracts from the proceedings but the entire proceedings were sent to the Government of India. Subsequently, on the basis of the discussions that took place in this House last time, I discussed the matter at length with the Hon'ble Minister of States. As I have already stated that so far as the constitutional aspect that was prominently raised on the floor of this House is concerned, the Government of India have come to a conclusion.

Sri H. B. GUNDAPPA GOWDA.—After sending up the proceedings, was there any talk about definite proposals?

The Hon'ble Sri K. CHENGALARAYA REDDY.—No, excepting for the understanding which has now been arrived at, namely, that all the detailed aspects about this particular subject will be open for negotiation and discussion later on. There was nothing else that had to be done.

Sri H. B. GUNDAPPA GOWDA.—Then shall I take it that it is open to the Government to agree to the proposals as they think fit? Is there such

a choice for the Government of Mysore at the time of discussion?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The Government of Mysore will be entitled to put forward their own views with regard to any of the subsequent issues that may arise after the selection is over. Then, the Government will certainly put forward all necessary proposals, keeping only one main objective, in their mind, that is, to safeguard the interests of our officers.

Sri H. B. GUNDAPPA GOWDA.—Will it not be possible for this Government to arrive at a certain working data between the Committee of the Government of India and the Mysore Government so that selection may take place later on?

The Hon'ble Sri K. CHENGALARAYA REDDY.—I do not quite follow the question of the Hon'ble Member.

Sri H. B. GUNDAPPA GOWDA.—Is it not possible for this Government to arrive at definite data on which to base their selection?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The number of officers to be selected, how many to be put into the senior cadre and how many into the junior cadre—all these aspects will arise later on. First of all, we want to determine how many people, in their judgment, are qualified or fit to be taken into the Indian Administrative Services. Before they publish that list and before they notify, before any further action is taken, the Government of Mysore will be consulted and the Government of Mysore will also urge its views.

Sri H. B. GUNDAPPA GOWDA.—Is it before selection?

The Hon'ble Sri K. CHENGALARAYA REDDY.—Not before selection; after selection.

Sri H. B. GUNDAPPA GOWDA.—Will it not be possible for this Government to arrive at some conclusions before selections are made? That is all my point. What is the use of discussing later on when selection has taken place?

The Hon'ble Sri K. CHENGALARAYA REDDY.—The Government of India want to proceed with the selection first to merely find out as to how many people are fit to be put into the Indian Administrative Services. There will be no commitment either on the part of the Government of India or on the part of the Government of Mysore as to what further steps will have to be taken. In fact, I have not been able to follow the anxiety of the Hon'ble Member.

Sri H. B. GUNDAPPA GOWDA.—I tried to make myself clear. Now the Hon'ble Chief Minister said that these questions will arise subsequent to the selection by the Selection Committee. My point is, before any selection is made, let us lay down our conditions, let us agree with the Selection Committee about certain understandings and other things on which to proceed for selection before selection is actually made.

ಆರಿಸಿಕೊಳ್ಳುವುದಕ್ಕೆ ಮುಂಚಿತವಾಗಿ ನಮ್ಮ ಸರ್ಕಾರದವರೂ ಮತ್ತು ಕೇಂದ್ರ ಸರ್ಕಾರದವರೂ ಒಂದು ನಿರ್ಧಾರಕ್ಕೆ ಬಂದು ತದನಂತರ ಆರಿಸಿಕೊಳ್ಳುವ ಏರ್ಪಾಡು ನಡೆಯಲಿ ಎಂದು ನಾನು ತಿಳಿಸುತ್ತಿರುವುದು.

Mr. SPEAKER.—That is a suggestion the Hon'ble Member can make when discussion takes place on the Address of Thanks.

Sri H. B. GUNDAPPA GOWDA.—I am suggesting the procedure. That is all.

Mr. SPEAKER.—That can be done at the time of discussion on the Address, as I stated already.

The Hon'ble Sri K. CHENGALARAYA REDDY.—If he has in mind the method of selection, then of course, certain understandings have been arrived at. I have already said that the service records will be examined and that the opinion of the Government of Mysore will be taken. They will have a *viva voce* examination after interview. On the basis of this they will merely say that so many people will be taken into the Indian Administrative Services; then, how many people will have to go into the senior cadre and how many into the junior cadre, what is the nature of the promotion from the junior cadre to the senior cadre—all these things we have to decide later on; and it will not be possible to

(The Hon'ble Sri K. CHENGALA-RAYA REDDY).

come to a decision earlier because how many people will be qualified to be selected, will not be known. It is only after ascertaining the number of officers who will be selected by the Board that we can tackle the other aspects. We felt that many of these things cannot be concluded before the actual selection.

Sri L. SIDDAPPA (Shimoga District—General).—In the event of the Government of India not agreeing to the terms and conditions, is it open to the Mysore Government to withdraw from this negotiation?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—It is a hypothetical question. The principle is accepted. The details we have got still to discuss and negotiate for.

Sri H. SIDDANANJAPPA (Hassan District—General).—Have the Government of India prescribed any definite qualifications for selection?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—I have answered the question more than once. The selection will be made on the basis of the service of the officer concerned, on the report of the Government of Mysore and on the suggestions and advice that may be tendered by the representatives of the Government who will be associated with the Board. On the basis of these factors selection will be made, as they have done in other States. I may also incidentally state that the Secretary to the Ministry of States, Sri V. P. Menon, who was here recently, had met most of the officers in the Mysore Civil Service and the Police Service. Several questions were put to him; several doubts were raised and he is reported to have answered all those points. I gather that our officers were mostly satisfied with the statement of the position by Sri V. P. Menon.

Sri M. N. JOIS (Mysore District—General).—Was there any negotiation between this Government and the Government of India on this subject?

Mr. SPEAKER.—That has been answered.

—Sri M. N. JOIS.—Was there any negotiation?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—There have been negotiations and they will have to continue hereafter also.

Sri M. N. JOIS.—What is the basis on which this Government started negotiating with the Government of India?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—The proposal to extend the Indian Administrative Service Scheme into Mysore emanated from the Government of India. To other Part-B States also they sent up certain proposals. We had to discuss the whole thing with them. We had to negotiate, we had to see that the interests of Mysore Officers are not jeopardised but had to be safeguarded. For all those purposes we had to discuss and negotiate with the Government of India.

Sri M. N. JOIS.—What is the result of the negotiation?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—I said that the principle of the extension of the scheme to Mysore is accepted. Regarding other aspects, we have still to negotiate.

Sri M. N. JOIS.—When exactly you begin to negotiate? What is the exact time? Is it after the selection or previous to the selection or during the selection?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—I have already said 'after the selection'.

Sri V. S. NARAYANA RAO (Bangalore City—General).—Will the Committee examine the Officers of the Mysore State Troops?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—This Board has nothing to do with them.

Sri V. S. NARAYANA RAO.—Is there a separate Committee for dealing with them?

The Hon'ble Sri K. CHENGALA-RAYA REDDY.—It rests entirely with the Government of India.
